## **IN TROUT WE TRUST: RAINBOW TROUT MUSIC FESTIVAL'S 2016 EDITION A WINNING CATCH**

WINNIPEG-May 31, 2016. Rainbow Trout Music Festival (RTMF) includes headliners Leaf Rapids, Mise en Scene, Duotang, and Basic Nature to their three-day festival. RTMF takes place August 19-21 just north of St. Malo, Manitoba.

Full weekend passes are \$80 and go on sale at noon on June 4 at Natural Cycle (91 Albert St.), Goodwill Social Club (625 Portage Ave.), and A.N.A.F. Club 60 (433 River Ave.). **Last year's** weekend passes sold out in a record-breaking 15 minutes—a reason why **this year's tickets** are launched at three locations.

**“Even though RTMF is evolving, we manage to maintain a strong sense of community and a tightknit atmosphere”, states Ben Jones, Creative Director of RTMF. “This year I am looking forward to further implementing our Safer Spaces Policy and showcasing Winnipeg’s vast local music scene.”**

Single day passes are unlimited and available at the RTMF box office. Full festival lineup and further info found at [www.rainbowtroutmusicfestival.com](http://www.rainbowtroutmusicfestival.com).
